The Faithful Do the Work of God

James 2:14-26

Where we live

Many people want to _____ like God, but not _____ like God.

Where the text lives

James is helping first generation Christians understand the relationship between faith and works.

What the text says

True faith meets _____, _____, and _____ needs.

The church consists of each member having _____ and _____, not some with faith and some with works.

Faith that does not produce works is not the faith that makes us _____ to God.

Even a _____ faith is _____ if it does not produce works of _____.

Our response

God, help our faith in You _____ us to meet the needs in our church, our community, and our world.

Discussion questions for this Sunday’s sermon from James 2:14-26

1. Do you know of anyone in the church who is in need? What do you do to try to find out the needs of your fellow church members?
2. Have your “works” grown as your faith has grown? If so, how have the ways you help and love others grown with your faith?
3. Are you striving to be the best Christian you can be both in terms of learning and growing in knowledge and living out your faith or are you settling for something less? Why do you think that is?
