The Importance of Leaders

Nehemiah 6

Where we live

Many people _____ long-term goals for short-term ones.

Where the text lives

The wall around Jerusalem is nearly rebuilt.

What the text says

The more God's people _____ the closer they are to danger.

The enemies of God's people does not have to be _____.
But God's people do.

_____ and not fear must be what directs God's people.

The finish line is not the _____ line.

Our response

God, help us to be _____ when facing enemies and finishing our race.

Discussion for Sunday, May 2

1. What are ways the church is attacked externally?
2. What are ways the church is attacked internally?
3. What should we do when faced with external attacks?
4. How can we prepare?
5. What can we do to prevent internal attacks?
6. How should we respond when they come?
7. What should be the goal of the church when facing attacks – whether internal or external?
