**Meeting ID: 828 6327 1187**

**Passcode: 494627**

Something is ALWAYS lost in translation. That's why the study of original biblical languages has always been an important part of Christian studies. If God chose to use Greek as the language of the New Testament, it only makes sense that people of the Word would want to learn that language as much as possible. This course will look at a few New Testament passages along with some words and grammatical rules that give us.

### **Sept. 20 7 p.m. Introduction to New Testament Greek**

- The Nature of Languages and Translations
- Why NT Greek Is Important
- How Greek and English Are Different
