**What a Healthy Church Feels Like**

Ephesians 4:17-5:2

**Where the text lives**

Paul continues to teach the Ephesians about what a healthy church is.

**Where we live**

Many Christians do not \_\_\_\_\_ what a healthy church is and are willing to \_\_\_\_\_ for something less.

**What the text says**

A healthy church does not feel like the \_\_\_\_\_.

A healthy church feels like \_\_\_\_\_ is present.

A healthy church feels immersed in \_\_\_\_\_ and \_\_\_\_\_.

A healthy church treasures \_\_\_\_\_.

**Our response**

God, purify our hearts so that we honor You in how we \_\_\_\_\_ one another as a healthy church.
