### **Saved to Love**

**1 Timothy 1:12-20**

#### **Where we live**

Many people either believe human beings are essentially \_\_\_\_\_ or at least are not that bad.

#### **Where the text lives**

Paul instructs Timothy on how to help confront and correct false teachers at Ephesus.

#### **What the text says**

We must remember who we were before Christ to understand the depth of our \_\_\_\_\_.

God's overflowing \_\_\_\_\_ results in our faith in Jesus and our love for Him.

We must be willing to war against false teachings, but to do so out of \_\_\_\_\_.

#### **Our response**

God, help us in Your \_\_\_\_\_ to stand for \_\_\_\_\_ in all situations.
