**Our Great Savior: The Need for the Savior**  
**Genesis 3:1-15**

**Where the text lives**

The Fall of Humanity comes unexpectedly after God had created all things good and created humanity in His image.

**Where we live**

Our world has the increasing power of \_\_\_\_\_ and the \_\_\_\_\_ power of sin.

**What the text say**

Human beings are prone to \_\_\_\_\_ from God.

Human beings left on their own will eventually \_\_\_\_\_ themselves.

Human beings are in need of salvation that \_\_\_\_\_ them.

In His grace, God has provided this salvation through the person and work of \_\_\_\_\_.

**Our response**

God, remind us of the \_\_\_\_\_ of our sin so that we might know better the \_\_\_\_\_ of our Savior and bring Him more \_\_\_\_\_ in all we do.
